

Introduction to German Public Law

Hanna Stengel

1 SWS (= 2,5 ECTS)

Course Description

This course provides a comprehensive introduction to German Public Law. It is taught in **English**.

The course begins with an overview of the German legal system and proceeds to examine the core areas of Constitutional Law and Constitutional Procedural Law.

It further explores Administrative Law and Administrative Procedural Law, followed by an introduction to selected fields of specialized administrative law, including:

- Local Government Law
- Public Building Law
- Police Law
- Assembly Law
- Environmental Law

The course concludes with an **oral examination** assessing the participants' understanding of the key concepts covered. The date of the examination will be arranged in consultation with the students.
